RE: To People Who Want a Reliable Monthly Income But Aren't Sure How to Get It

Dear Frustrated Internet Marketer,

You're not alone.

Life would be so much easier if you *just* had a way to generate a reliable and stable monthly online income.

But if you're like most internet marketers you're busy building sites, keeping everything organized, and dealing with that customer that can't find the download link you just sent them for a *second* time.

And now on top of all that...you have to create your own product...outsource the audio for it...make the video for it... and write the sales letter.

And, and, and...

Sigh.

**BEFORE YOU CONTINUE CHECK OUT THIS SPECIAL UPGRADE OFFER...**

**When you want to add more profits to your bottom line each month, then building a bigger, more responsive list of subscribers is the fastest and easiest way to do it...**

The sad truth is... The majority of online marketers that fail (and over 90% do), is because they just didn't get **how important list building and developing a relationship with their subscribers actually is...** But you're smart and already know that the guys who land on the top of the pile are the ones prepared to devote a big chunk of resources into getting people to join their email lists...

**But perhaps like a lot of our marketing friends you face a two-pronged problem....** There's fierce competition in our marketplace and most of the "big guys" that you will come up against have teams of writers (or codes of cash & resources to throw around) to get their content created for them...

**And because you need to stand out from the crowd it's critical you find 'an edge' -** Something that will give you a proper advantage that others don't have - Like a fresh supply of quality content you don't have to spend weeks (or invest thousands) creating yourself!

**WE BUILT THAT 'EDGE' FOR YOU**

**It's called Automated List Profits**  
(and it's the real insider 'secret' many top names in our industry use every day to their advantage)

**WE NEVER NAME NAMES, BUT CHANCES ARE YOU MAY HAVE ALREADY SIGNED UP TO SOMEONE'S LIST, READ THEIR FREE REPORTS AND THOUGHT WOW! THIS GUY KNOWS WHAT HE'S TALKING ABOUT YOU MAY EVEN HAVE GONE FURTHER AND PURCHASED SOMETHING THEY RECOMMENDED TO YOU... THERE IS A VERY GOOD**

Each pack contains a professionally designed squeeze page (with bullet copy and graphics), a 10-30 page report on a hot marketing related topic, a 7 part Aft-follow up series + keyword research and recommended affiliate programs to promote related to each topic.

PLUS+ You will also receive instant access to our entire back catalogue of report packages (now at 70+ titles).

**Q: Are these PLR packages unique?**  
**A:** Yes, all packages are created by our own in house team and they aren't available anywhere else online.

**Q: Can I give away the reports or sell them?**  
**A:** Both! We encourage you to use them as incentives to build your subscriber list and promote your offers and affiliate offers through them, (set up your provided squeeze page and offer them free to new subscribers) The only thing you cannot do is give people access to the source documents and files (these are for your own personal use).

**Q: Can I Say I Wrote These?**  
**A:** Yes you get full private label editorial rights so you can add yourself as the author, edit them, add to them, change the graphics, rename them whatever you need.

**60 Day No-Questions Asked Money Back Guarantee**

**100% Money Back Guarantee**

I'm confident you'll be extremely satisfied with a lifetime membership at our flagship site 'Automated List Profits'

However, if you're not happy for any reason, I want you to contact me anytime **within 60 days** and I'll send you a full refund. With this extra peace of mind, securing your spot right now should be an easy decision as it comes entirely risk free.

Essentially, you are getting a full **60-day "trial"** to test out the site first before making a final decision

From: Paul Counts

**RE: Incredible Reseller Opportunity**

Did you know you're about to become a serious player in the Internet Marketing arena?..

I'm not kidding, if you've ever wanted to 'Go Big' with membership marketing but have been put off by the costs, the time and the amount of hard work involved then I guarantee **you are going to love this page!**

You see I've decided to hand over the reseller licenses to not 1 but 10 fully loaded membership sites, each one is built around the hugely profitable and "freemium" based model - These things are **as good as money in the bank!**

There's a smorgasbord of powerful monetization features built into the sites, you can **go live TODAY** and they're **making money right now** for the resellers who have already taken advantage of this offer.

The topics/sites have been carefully selected to satisfy the rabid demand for information in the marketplace - **These are Million Dollar markets!** And the best part is that **we've done everything for you** -

No **kludging** - this is as 'hands free' as anything you'll ever see online - And the result is you get to bypass the learning curve, eliminate the costs, save months, (perhaps years), of development time and **just get started today!**

*Full Automation, Massive Demand & Guaranteed Success ..*

### **Making Money Online Just Shifted Into High Gear**

And when I say 'hands free' I mean it!... Nothing to host, no coding, no designing, no content to create, no sales copy to write nothing, nada, zip, zeeenoooo...

It's **ALL** done for you from the tricky behind the scenes programming through to the high quality reports, audio and video content - **nothing's been left out it's all here!**

C'mon you have to admit that's pretty damn cool isn't it? :-)

But even cooler... is how **so much income potential** has been carefully woven into every site and every page your members will see - ( Heck you can give away free passes and make over \$200 every time you do it)

**Imagine multiple streams of income flooding into your accounts - 100% hassle free...**

**PRICE/OFFER IMPORTANT:** As you can imagine chopping over \$1,000 of my prices isn't the most profitable way to run a business and I simply cannot make this offer at this low price a permanent fixture. So to **guarantee the \$497 price** you should secure your license right now. If you wait I guarantee this will probably be gone and not repeated.

Sincerely,

Paul Counts

**P.S.** The only way you can lose here is if you walk away empty-handed... This really is the easiest route to get all the benefits of owning a huge network of memberships sites without any of the hassles and stress that usually come with it.

By taking action right now not only are you making **MASSIVE** savings you're eliminating a minimum of 12-18 months of hard slog attempting to put something like this together yourself. Act now and you'll be in business today!

**PRODUCT GUARANTEE:** I'll be totally straight with you here... If you plan on purchasing then asking for a refund, please don't order a license. This is a very limited offer, so if you are not 100% committed then leave the license for other resellers who are and who will put it to good use. I only want to work closely with serious marketers and genuine folks that are ready to take their business to the next level.

But because I want you to start today with **total** peace of mind your investment is backed up by a **full 30 day money back guarantee** - You will be ordering with confidence and this eliminates any kind of risk on your part.
